

## CONFIDENTIAL BIRD ADOPTION APPLICATION

### Terms of the Adoption

Thank you for expressing interest in adopting a bird from Jojo the Grey Adoption and Rescue for Birds Inc. This is a serious commitment for you, your family and for us. We hope this relationship will endure for many years.

When adopting a bird from Jojo the Grey Adoption and Rescue for Birds Inc., please understand that you are accepting the honor of continuing to provide for a bird that is truly in need of a nurturing, caring and committed environment. Our adoption procedures are designed to be in the bird's best interest. We appreciate your patience with this process.

Taking care of an exotic bird is a serious responsibility. More often than with most other pets, not everyone who wishes to live with an exotic bird is able to provide for the bird's wellbeing. We must ensure that each person who adopts a bird understands these responsibilities and can fulfill them.

All adoption requests must be made by an adult that is 21 years of age or older. While we encourage children to learn how to relate to all animals, the sole responsibility of the care of a bird should not be used as a child's teaching tool. Therefore, Jojo the Grey Adoption and Rescue for Birds Inc. does not adopt birds to children.

The following application has been designed to aid both you and us in determining whether you and your family can provide a suitable environment for parrots in accordance with our protocol. Please answer all questions and explain any answers or add comments. If a question does not apply, write "N/A". Please type or print clearly.

It is important to read thoroughly the Terms of this Adoption agreement.

Please be advised that Jojo the Grey Adoption and Rescue for Birds Inc. cannot guarantee the health of any bird. When a bird comes to us, it has often had a series of owners and an undocumented history.

We cannot guarantee that the bird will not bite. We do ask that you wait to adopted another bird for 6 months. The bird is going to need time to adjust and to start bonding totally with you before you begin sharing your time with another parrot.

Please be aware that if you decide that you are no longer able to provide for your adopted bird, the bird **MUST** be returned to Jojo the Grey Adoption and Rescue for Birds Inc. per the terms of the Adoption Agreement. You will also be asked to provide appropriate information regarding the care of your bird in the event that you are no longer able to provide for its care and wellbeing. It is critical to us that your directives consider the long-term care and wellbeing of any bird adopted through us in accordance with the terms of the Adoption Agreement.

When you adopt a bird from Jojo the Grey Adoption and Rescue for Birds Inc., you will be required to contact Margaret Ouali within 48 hours of settling in with your new family member.

We request that you call or email us with monthly updates on your adopted parrot during the first two-month period. We will make two visits to your home to ensure that all is well with the adoption. The second visit will be to finalize the adoption.

By signing this Confidential Bird Adoption Application you agree to be bound by the provisions in the Adoption Agreement during the Two-month period.

We appreciate your interest in adopting an exotic bird from Jojo the Grey Adoption and Rescue for Birds Inc. Thank you for taking the time to complete this application.
